### ANNOUNCING THE ANNUAL MARY S. CERNEY MEMORIAL AWARD

*Given by the Society for Personality Assessment for the  
Outstanding Student Paper on Personality Assessment*

**Deadline: July 1 (each year)**  
*(Submissions will not be accepted if not received by the  
central office by July 1)*

The Society for Personality Assessment is now accepting manuscripts for the annual **Mary S. Cerney Award**, given to the best student paper (a paper generated sometime over the past year) dealing with an aspect of personality assessment. The paper can be based on either quantitative or qualitative research, or could be theoretical in focus. Research studies should be well designed. The format should be APA journal article style.

**Award:** The winning entrant *is expected to be present* at the Annual Convention of the Society for Personality Assessment meeting the following Spring to accept the award. The recipient will receive an award certificate; one night's lodging at the Annual Convention; a \$500 check; travel expenses; and will have the registration fee for the convention waived.

**Eligibility:** Students in psychology or related disciplines are invited to apply. Papers based on doctoral dissertations are eligible only if the research was completed prior to the granting of a doctoral degree and submitted within a year of completing the degree.

**Submission:** Please submit a paper as a journal-style manuscript, along with a cover letter identifying the student and stating the paper's relevance to the field of personality assessment. For co-authored submissions, the student must be the first author. Please do not submit an entire dissertation or thesis. Submit to: Society for Personality Assessment, 6109H Arlington Boulevard, Falls Church, VA 22044. Submissions may be emailed to [manager@spaonline.org](mailto:manager@spaonline.org)
