

SOCIETY FOR PERSONALITY ASSESSMENT

Student Travel Grant Guidelines

Deadline: November 30 (each year)

In an effort to encourage training of students and promote student participation in research and scholarly presentation in the area of personality assessment, the Society for Personality Assessment gives travel grants to students attending the SPA Annual Convention. Travel grants will be given for one night's lodging at the convention hotel.

Eligibility

Students applying for travel grants *must be a Student Affiliate member of SPA*, or must have applied online for membership before submitting the Student Travel Grant Application. At the time of application, membership dues must be current and paid for the year of the annual convention that you are applying for in order to be eligible. Students must also report other travel funding they will be receiving.

Application Process

Applications are available on our web page under the Convention tab, Grants link and the Student tab, SPAGS Grants link. Students should complete an application online and submit it *no later than November 30 (each year)*. If mailing the application to the SPA office, applications must be received in the office no later than November 30 (not postmarked November 30) in order to be considered. A faculty member at the student's institution must sponsor all applications. Due to limited funds, not all applicants receive a travel grant.

Award Process

Students will be notified as soon as possible after the application deadline whether they will receive a travel grant. To receive the award, the recipient must register at the convention hotel and be present at the Annual Convention. Travel Grant recipients must make reservations at the Convention Hotel and send the confirmation number to the SPA Administrative Director by January 31. One night's lodging plus taxes and fees will be waived from your final hotel bill.
