Alessandro Crisi, Istituto Italiano Wartegg, Roma, Italy

"I don't know the ending": The TCTS illustrates uncertainty and tentativeness in the face of affect
Julie Cradock O’Leary, Private Practice, Anchorage, AK

“Pieces are starting to fall into place”: How the Extended Inquiry and the Assessment Intervention moved the client forward
Donna Kelley, Private Practice, Paoli, PA

Discussant: Jed Yalof, Immaculata University, Immaculata PA and Austen Riggs Center, Stockbridge, MA

Paper Session C: Risk Prediction: Institutional Misconduct and Non-suicidal Self-Injury
Chair: Nora Charles, The University of Southern Mississippi

Applying the PAI Treatment Process Index to the PAI-A: Predicting behavior in an institutional setting
Nora Charles, The University of Southern Mississippi
Paula Floyd, The University of Southern Mississippi
Chris Barry, Washington State University

Personality, Psychopathology, and Impulsivity as Predictors of Institutional Misconduct in At-Risk Adolescents
Margaret Bullerjohn, Nora Charles, The University of Southern Mississippi
Chris Barry, Washington State University

Interpersonal Problems and Interpersonal Sensitivities in Non-suicidal Self-Injury
Lia Rosenstein, Sindes Dawood, The Pennsylvania State University
Hans Schroder, Michigan State University
Aaron Pincus, The Pennsylvania State University

Mapping MMPI-2-RF Scales onto Non-suicidal Self-Injury Risk Factors
Megan Whitman, Andrew Kremyar, Yosef Ben-Porath, Kent State University

Symposium D: English as a Second Language, Monolingualism, and Bilingualism in Assessment Graduate Training (1.5 CEs)
Chair: Hadas Pade, California School of Professional Psychology, Alliant International University, San Francisco

An English Speaking Student Working with a Bilingual Client
Alexandra Miguel, California School of Professional Psychology, Alliant International University, San Francisco

A Bilingual Student Working with an English Speaking Client
Ksenia Ryckman, California School of Professional Psychology, Alliant International University, San Francisco
A Bilingual Student Working with a Bilingual Client
Fabiola Estebanez, California School of Professional Psychology, Alliant International University, San Francisco

Discussant: A. Jordan Wright, New York University Steinhardt School of Culture, Education, and Human Development

Symposium E: Advances with the Social Cognition and Object Relations Scale-Global Method (SCORS-G) (1.5 CEUs)
Chair: Michelle Stein, Massachusetts General Hospital and Harvard Medical School

When’s a Story a Story? Determining Interpretability of SCORS-G Ratings on Thematic Apperception Test Narratives
Solara Calderon, VA San Diego Healthcare System
Christina Massey, Jared Ruchensky, Massachusetts General Hospital and Harvard Medical Center
Jenelle Slavin-Mulford, Augusta University
Wei-Jean Chung, Laura Richardson, Mark Blais, Massachusetts General Hospital and Harvard Medical Center

Examining the Relationship Between Object Relations and Interpersonal Distress in a Clinical Sample.
Lylli Cain, Mark Hilsenroth, Adelphi University

Illusory Mental Health: The Role of Defensive Functioning and Object Relations in a Psychiatric Population
Laura Richardson, Massachusetts General Hospital and Harvard Medical Center
John Porcerelli, University of Detroit Mercy
Mark Blais, Massachusetts General Hospital and Harvard Medical Center

The Only Constant is Change: The SCORS-G Model for Characterizing and Differentiating Contextual Shifts in Narrative
Caleb Siefert, University of Michigan- Dearborn

What can stories tell us? Using the SCORS-G to Explore the DSM-5 Alternative Model of Personality
Jared Ruchensky, Massachusetts General Hospital and Harvard Medical Center
Shannon Kelley, William James College
Michelle Stein, Massachusetts General Hospital and Harvard Medical Center

5:30 pm – 6:00 pm Book Signing
5:30 pm – 7:00 pm President’s Welcome Reception
5:30 pm – 6:30 pm Poster Session I

A Hierarchical Model of the Personality Psychopathology-5 (PSY-5)
Margaret Achee, Jordan Hoffmeister, Amber Sitz, Ryan Mulligan, Shea McLellan, Sara Swise, John McNulty
Allan Harkness, University of Tulsa
Childhood Abuse and Anaclitic and Introspective Depression: The Mediating Effect of Object Relations

Brett Adams, Mariam Saad, John Porcerelli, University of Detroit Mercy

An Empirical Review to Derive Best Practices for Scholarly Publication of Translated Assessment Instruments

A. Esin Akan, Pennsylvania State University
Meredith A. Bucher, Douglas Samuel, Purdue University
Aaron Pincus, Pennsylvania State University

Trends in Assessment Training: A National Survey of Trainee Experience, Perceptions, and Attitudes

Becca Bergquist, Paul Ingram, Nicole Lemaster, Adam Schmidt, Joseph Currin, Texas Tech University

The Personality Disorder Spectra Scales for the MMPI–2–RF and Cluster A Symptoms at Baseline and Two Years

Audra Biermann, Jennifer Keane, Dylan Songer, Courtney Wiesepape, Pradeep Thamboo, Aubrie Musselman, Samantha Roop, Catherine Ebarb, Madyson Morris, Keven Bolinsky, Indiana State University

The Development of a Cognitive Measure of Feigned Memory Impairment to Complement the Inventory of Problems–29

Cassie Brown, Dallas Boyce, California School of Professional Psychology, Alliant International University, San Diego, CA
Luciano Gironini, University of Turin, Italy
Donald Viglione, Alliant International University, San Diego

Interrater Reliability of R-PAS Form Quality Determination using Examiner Judgement and Extrapolation, Versus Tabled Entries

Christa Call, California School of Professional Psychology
Donald Viglione, Alliant International University, San Diego
Meagan McKenna, California School of Professional Psychology

Capacity for Intimacy: The Influence of Early Sibling Relationships on Later Personality Functioning

Caitlin Cassidy, Cheyenne Dolbear, Villanova University

PAI Clinical Scales in Relation to Patient and Therapist Rated Alliance

Bianca Cersosimo, Mark hilsenroth, Derner School of Psychology, Adelphi University

Assessing Eating Disorder Pathology with the MMPI-2-RF

Taylor Chilli, Colby Valdez Adair, Brian Keller, Samantha England, Anna Stanton, Caycie Smith, Jordan Organ, Dustin Wygant, Eastern Kentucky University

Psychological Pain: A Moderating Factor between Personality Psychopathology and Self Harm

Kelci Davis, Nicholas Sims-Rhodes, Larissa Fernandez, Jaime Anderson, Sam Houston State University

Identity Development and Attributions for Perceived Adulthood Status

Cheyenne Dolbear, Caitlin Cassidy, Katherine Precourt, Villanova University
John Kurtz, Department of Psychological and Brain Sciences, Villanova University
The Incremental Validity of Transdiagnostic Dimensions of Personality and Psychopathology in Predicting Behavioral and Psychological Outcomes
*Emily Dowgwillo, Michelle Stein, Mark Blais, Massachusetts General Hospital and Harvard Medical School*

Extending Multi-cultural Assessment Approaches to Immigration and Asylum Evaluations: Increasing Awareness in Clinical Graduate Programs
*Fabiola Estebanez, Ana C. Rodriguez Martinez, Gerald Michaels, Alliant International University*

Personality Assessment: Testing and Accessibility Issues for Clinical Psychology Trainees with Disabilities
*Julia Feinberg, Lily Bigalke, Hadar Padai, California School of Professional Psychology Alliant International University, San Francisco*
*Cara Miller, Department of Psychology, Gallaudet University*

The Role of Personality Psychopathology in the Prevalence of Somatic Symptoms
*Larissa Fernandez, Nicholas Sims-Rhodes, Keki Davis, Jaime Anderson, Sam Houston State University*

Developing a forced-choice measure to personality assessment in high social desirability contexts
*Lucas Francisco Carvalho, Universidade São Francisco*
*Fabiano Koich Miguel, UEL*
*André Pereira Gonçalves, Universidade São Francisco*
*Cristiano Esteves, Votor Publisher*

Development of a Computerized Tool for Personality Disorders Diagnostic According to DSM-5 Section II and III
*Lucas Francisco Carvalho, Universidade São Francisco*
*Sérgio Eduardo Oliveira, UnB*
*Giselle Pianowski, Universidade São Francisco*

Influence of Maladaptive Personality Traits on Women’s Appraisals of IPV
*Alana Gallagher, Sloane Rickman, Matthew Yalch, Palo Alto University*

Defense Mechanisms and Childhood Abuse Potential in At-Risk Pregnant Mothers
*Jillian Grabowski, Katelyn Lowe, University of Detroit Mercy*
*Laura Richardson, Massachusetts General Hospital and Harvard Medical School*
*Alissa Huth-Bocks, Case Western Reserve University*
*John Porcerelli, University of Detroit Mercy*

Comparison of Personality Assessment Inventory (PAI) Normative Data Across Time
*Jennifer Greene, Alicia Carrillo, Sierra Iwanicki, Psychological Assessment Resources*

The Link Between Trauma and Codependency in Predicting Relationship Quality
*Savannah Grier, Liza S. Rimsky, Long Island University-Brooklyn*
*Nicole M. Cain, GSAPP, Rutgers University*
*Kevin B. Meehan, Long Island University-Brooklyn*

Importance of Childhood Trauma Assessment in Relation to Therapist-Patient Countertransference Style
*Taylor Groth, Adelphi University*
*Mark Hilsenroth, Derner School of Psychology, Adelphi University*
Exploring Personality Pathology and Cigarette Smoking with the DSM-5 Alternative Model for Personality Disorders

Alexandra Halberstadt, The Pennsylvania State University
Kasey Creswell, Carillon Skrzynski, Carnegie Mellon University
Aidan Wright, University of Pittsburgh

A Psychometric Evaluation of the PID-5-SF

Stephanie Haugh, Jaime Anderson, Nicholas Kavish, Larissa Fernandez, Nicholas Sims-Rhodes, Sam Houston State University

Competencies in Psychological Assessment Required for Japanese Professional Psychologists: Analysis of Certification Examinations

Naomi Inoue, Masako Yatsuda, Teikyo Heisel University

Test-Retest Reliability for the English and US Spanish MMPI-2-RF in Latinx University Students

Bernardo Iracheta, Tessa Long, Sam Houston State University
Andy Torres, Frances Morales, Alfonso Mercado, University of Texas Rio Grande Valley
Jaime Anderson, Sam Houston State University

Examination of the Generalizability of Underreporting Detected by the MMPI-2-RF in a Correctional Sample

Megan Keen, Tayla Lee, Johnathan D. Forbey, Ball State University

Mapping Emotional Distress Tolerance Onto Psychopathy Dimensions

Andrew Kremyar, Jordan Hall, Yossef S. Ben-Porath, Kent State University

Level of Personality Organization on Dependent and Depressive Personality Features: A Multi-method Study

Kiera Kunkle, Callie Jowers, John Poverelli, University of Detroit Mercy
